

13. PROJECT SUPPORTERS/WORKPLACE PARTNERS

List your project supporters and workplace partners. Place their letters of support (limit of 6) at the end of this section.

- **Provide names, addresses, phone numbers of ≤ 6 key supporters of your project**
 - **If your project will be conducted in a workplace, you must have the written support of that workplace**
- **What is their involvement to date? - - prior involvement is a good indicator of a strong linkage that will last through project completion!**
- **Describe their anticipated role in your project. Describe what they are bringing to your project: - expertise? - resources?**
- **Each supporter must provide a letter of support describing what they are committed to offering your project.**
- **A letter from your employer indicating their willingness to participate is recommended.**

Request Letters of Support EARLY!

Recommended to request support letters 3 weeks prior to deadline!
