Join your fellow researchers, students and research users - learn about research activities across the province at the

## 5th BCEOHRN Scientific Exchange and Annual General Meeting

**Fri. Nov 20, 2009**

**12:00 – 6:00pm**

Venue: TBC, Vancouver

Details:

[www.bceohrn.ca/AGM2009](http://www.bceohrn.ca/AGM2009)

12:00-2:00

### PROGRAM

Networking Lunch

1:00-2:00

Luncheon Guest Presentation:

**The story of a research question, or why we study what we do: the example of three decades of metalworking fluid research**

**Dr. Susan Kennedy**, Professor Emerita, UBC School of Environmental Health

Dr. Kennedy's research foci are the impact of workplace and environmental exposures on the lungs, gender determinants of chronic obstructive lung disease (COPD), knowledge transfer/risk communication in occupational health, and the natural history of occupational asthma and work-related COPD.

2:00-3:30

### Annual General Meeting of BCEOHRN membership

Reports on activities, future planning and opportunities for member input.

Reports from BCEOHRN Research Capacity Development grant awardees.

3:30-5:00

### Scientific Exchange Poster Session

For the last four years this was the highlight of the meeting! One participant noted, *"In presenting my research report, I enjoyed networking with many people from across the province and sharing my findings. The meeting provided a dynamic forum for open discussion."*

5:00-6:00

### Networking Wine and Cheese Reception

### Call for Posters

The scientific exchange poster session will provide an opportunity for members to discuss their projects, programs, research activities, etc. **Students are encouraged to participate in the poster session. All BCEOHRN members are invited to display a poster on their research activities, which could focus on a specific project or describe a program of research or a research-related academic program.**

### Registration

Participation in this event by BCEOHRN members is free of charge. To ensure adequate catering quantities, members are asked to register by sending an email to our office: [patherton@bceohrn.ca](mailto:patherton@bceohrn.ca). **Joining the Network is free and easy.**

### Travel Bursaries

The Network has limited funds to support members' travel to attend this event. Network members receiving travel assistance are strongly encouraged to contribute to the scientific exchange through a poster presentation.

**Details available at: [www.bceohrn.ca/AGM2009](http://www.bceohrn.ca/AGM2009)**

**or by email: [patherton@bceohrn.ca](mailto:patherton@bceohrn.ca)**
